Options: A- The first process step B- The final process step						
C- Material type D- Storage type Answer: D Question 5 uestion Type: MultipleChoice Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	C- Material type D- Storage type Answer: D Ruestion 5 Bustion Type: MultipleChoice Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	A- Warehouse process ty	oe e				
Answer: D Question 5 uestion Type: MultipleChoice Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	Answer: D Ruestion 5 Restion Type: MultipleChoice Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	B- Document type					
Answer: D Question 5 uestion Type: MultipleChoice Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	Answer: D Question 5 Lestion Type: MultipleChoice Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	C- Material type					
Question 5 uestion Type: MultipleChoice Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	Ruestion 5 Lestion Type: MultipleChoice Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	D- Storage type					
Question 5 uestion Type: MultipleChoice Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	Ruestion 5 Lestion Type: MultipleChoice Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step						
Question 5 uestion Type: MultipleChoice Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	Ruestion 5 Type: MultipleChoice Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	Answer:					
Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	D					
Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step						
Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step						
Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step						
Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	Name of the second					
Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	guestion 5					
Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step						
Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	Which of the following are product warehouse tasks during putaway with process-oriented storage control? Options: A- The first process step B- The final process step	restion Trues MultipleChe					
Options: A- The first process step B- The final process step	Options: A- The first process step B- The final process step	uestion Type: MultipleCno	<u>ce</u>				
Options: A- The first process step B- The final process step	Options: A- The first process step B- The final process step						
Options: A- The first process step B- The final process step	Options: A- The first process step B- The final process step						
Options: A- The first process step B- The final process step	Options: A- The first process step B- The final process step	Which of the following are	product warehouse tasks duri	ng putaway with pro	ocess-oriented stor	rage control?	
A- The first process step B- The final process step	A- The first process step B- The final process step	5	•	0, , ,		Ü	
A- The first process step B- The final process step	A- The first process step B- The final process step						
A- The first process step B- The final process step	A- The first process step B- The final process step						
A- The first process step B- The final process step	A- The first process step B- The final process step						
A- The first process step B- The final process step	A- The first process step B- The final process step	Ontions					
B- The final process step	B- The final process step	Options:					
		A- The first process step					
C- The first and final process step	C- The first and final process step	B- The final process step					
		C The first and final area					
		U- The Hist and final proc	ss step				

D- All process steps	
Answer:	
A	
Question 6	
uestion Type: MultipleChoice	
Which packing modes can yo	uruse to control the creation of nick-handling units? Note: There are 2 correct answers to this guestion
Which packing modes can yo	u use to control the creation of pick-handling units? Note: There are 2 correct answers to this question.
Which packing modes can yo	u use to control the creation of pick-handling units? Note: There are 2 correct answers to this question.
	u use to control the creation of pick-handling units? Note: There are 2 correct answers to this question.
Options:	u use to control the creation of pick-handling units? Note: There are 2 correct answers to this question.
Options: A- Limit value	u use to control the creation of pick-handling units? Note: There are 2 correct answers to this question.
Which packing modes can yo Options: A- Limit value B- Simple algorithm C- Consolidation group	u use to control the creation of pick-handling units? Note: There are 2 correct answers to this question.
Options: A- Limit value B- Simple algorithm	u use to control the creation of pick-handling units? Note: There are 2 correct answers to this question.
Options: A- Limit value B- Simple algorithm C- Consolidation group	u use to control the creation of pick-handling units? Note: There are 2 correct answers to this question.
Options: A- Limit value B- Simple algorithm C- Consolidation group	u use to control the creation of pick-handling units? Note: There are 2 correct answers to this question.
