- D- Communicate to the database through the persistence layer

Answer:

A, D

Question 4

Question Type: MultipleChoice

When a hook overrides a core JSP named view.jsp:

Options:

- A- The new view.jsp overwrites the original file and the original view.jsp is no longer available
- B- The original view.jsp is moved to a temporary folder
- C- The original view.jsp is renamed to view.portal.jsp
- D- The contents of the original view.jsp and the new view.jsp are merged automatically

Answer:

C

Question 5

Question Type: MultipleChoice

After adding new functionality to an Ext plugin, the recommended way to deploy in a development environment is to:

Options:

- A- Stop the server, redeploy the plugin and restart the server

- B-** Undeploy the original plugin and deploy the updated plugin
- C-** Undeploy the original plugin, clean the server and deploy the updated plugin
- D-** Undeploy all plugins and deploy the updated plugin prior to redeploying the other plugins

Answer:

A

Question 6

Question Type: MultipleChoice

The recommended way to override the `updateLastLogin()` method and create a new method called `updateLastImpersonation()` for the User service is to:

Options:

- A-** Create a hook plugin and implement a service wrapper that overrides the `updateLastLogin()` method and creates the `updateLastImpersonation()` method in the User service
- B-** Create a portlet plugin and implement a service wrapper hook that overrides the `updateLastLogin()` method in the User service and build a new service in the plugin that references the User service and creates the `updateLastImpersonation()` method

C- Create an Ext plugin that modifies portal-spring.xml to replace the User service with a new service that overrides the updateLastLogin() method and creates the updateLastImpersonation() method

D- Create a hook plugin and implement a service wrapper that overrides the updateLastLogin() method and create an Ext plugin that builds a new service to implement the updateLastImpersonation() method for the User service.

Answer:

B

Question 7

Question Type: MultipleChoice
