**B-** False

**Answer:**

---

A

**Explanation:**

---

<https://www.alibabacloud.com/help/doc-detail/25477.htm>

## Question 5

---

**Question Type:** MultipleChoice

---

Which of the following statements about ECS Snapshot is NOT correct?

### Options:

---

- A- You can manually create snapshots
- B- You can create automatic snapshots
- C- You can roll back a disk by using a snapshot
- D- You can create an ECS instance from a snapshot

### Answer:

---

D

### Explanation:

---

You can create a custom image from a snapshot that contains the operating system and data of an ECS instance. Then, you can use the custom image to create multiple instances that have identical application environments.
