Question 1

Question Type: MultipleChoice

You created a consigned agreement with a supplier. The supplier shipped the goods, which you received in your receiving area

a. After two days, you transferred the goods from receiving into your inventory and used it for your interorganization transfer order. Where is the ownership of the goods?

Options:

- A- The ownership is with the buyer due to interorganization consigned inventory movement.
- B- The ownership changes from the supplier to the buyer as soon as the goods are received in the receiving area.
- C- The ownership is with the supplier because the supplier has not sent the consumption advice.
- D- The ownership is with the supplier because the goods are not yet consumed.

Answer:

A
