Question 1

Question Type: MultipleChoice

As part of the new EU General Data Protection Regulation, which of the following is being proposed?

Options:

- A- Right to be forgotten
- B- Right to modify data
- C- Right to be informed prior to sharing of data
- D- Right to object data collection and processing

Answer:

A

Question 2

Question Type: MultipleChoice

Under GDPR, the European Commission takes the adequacy decision in relation to privacy laws in a third country, territory, sector etc. A subjective approach is taken. For the assessment of whether a third country, a territory, or one or more specific sectors within that third country, or an international organization has an adequate level of protection, who is required to provide an opinion to the Commission?

Options:

- A- European Data Protection Board
- B- Lead Supervisory Authority
- C- Article 29 Working Party
- D- Convention 108 Council

Answer:

A

Question 3

Question Type: MultipleChoice

According to the IT (Amendment) Act, 2008, a corporate entity could be liable to pay compensation for negligence in implementing and maintaining reasonable security practices and procedures in order to protect Sensitive Personal Data or Information. What is the amount

of penalty?

Options:

- A- Upper limit not defined
- B- Rs. 5,000,000
- C- Rs. 50,000,000
- D- Rs. 500,000,000

Answer:

C

Explanation:

Rs. 5 Crore Sec 43A - "Where a body corporate possessing, dealing or handling any sensitive personal data or information in a computer resource which it owns, controls or operates, is negligent in implementing and maintaining reasonable security practices and procedures and thereby causes wrongful loss or wrongful gain to any person, such body corporate shall be liable to pay damages by way of compensation to the person so affected." Compensation for failure to implement reasonable security practices can be upto Rs. 5 Crores (the Adjudicating Officer has the power to award this). A data subject can further approach a civil court if compensation desired is more than Rs. 5 Crore.

Question 4

Question Type: MultipleChoice

The Indian cancer-treatment hospital Mumbai Hospital has organized a free health checkup for women in a specific district after securing adequate permission from the appropriate authority. During the camp the hospital staffs will be feeding. A computer connected to the hospital network system stores the medical records of these women. Are the participants at this camp required to be informed of the hospital's privacy policy and asked to consent to its collection and processing of personal information?

Options:

- A- Certainly, in a language that they would understand
- B- Yes, in any language the hospital desires
- C- They won't, since it's a free health camp for them
- D- The law does not require the same in this case

Answer:

A
