Question 1

Question Type: MultipleChoice

A company wishes to transfer personal data to a country outside of the European Union/EEA. In order to do so, they are planning an assessment of the country's laws and practices, knowing that these may impinge upon the transfer safeguards they intend to use.

All of the following factors would be relevant for the company to consider EXCEPT?

Options:

- A-** Any onward transfers, such as transfers of personal data to a sub-processor in the same or another third country.
- B-** The process of modernization in the third country concerned and their access to emerging technologies that rely on international transfers of personal data.
- C-** The technical, financial, and staff resources available to an authority in the third country concerned that may access the personal data to be transferred.
- D-** The contractual clauses between the data controller or processor established in the European Union/EEA and the recipient of the transfer established in the third country concerned.

Answer:

B

Question 2

Question Type: MultipleChoice
