Question 1

Question Type: MultipleChoice

A company deploys Microsoft 365.

The company needs to deploy a solution that meets the following requirements:

- * allows access to Microsoft 365 only from corporate networks
- * allows access to Microsoft 365 only from corporate-owned devices
- * requires additional verification during authentication

You need to identify a solution that meets the requirements.

What should you select?

Options:

- A-** Microsoft Entra ID hybrid identity
- B-** Conditional Access
- C-** Self-service password reset
- D-** Multi-factor authentication

Answer:

B

Question 2

Question Type: Hotspot

A company uses Microsoft Teams.

Instructions: For each of the following statements, select Yes if the statement is true. Otherwise, select No.

NOTE: Each correct selection is worth one point.

Answer Area

	Custom apps created by a company can be installed in Microsoft Teams.	<input type="radio"/>	<input type="radio"/>
	Microsoft Store apps can be installed in Microsoft Teams.	<input type="radio"/>	<input type="radio"/>

Question 3

Question Type: Hotspot

A company plans to implement Microsoft 365 productivity apps.

For each of the following statements, select Yes if the statement is true. Otherwise, select No.

NOTE: Each correct selection is worth one point.

Microsoft 365 productivity solutions

	Statement	Yes	No
Answer:	Microsoft Stream is a multi-track audio and video compositing editor that can be used to create videos.	<input type="radio"/>	<input type="radio"/>
	Microsoft Sway is a visual collaboration canvas app that can sync between chats, meetings, emails, and documents.	<input type="radio"/>	<input type="radio"/>
	Power BI is a cloud-based business analytics tool that connects to, visualizes, and analyzes data.	<input type="radio"/>	<input type="radio"/>

Question 4

Question Type: DragDrop

A company uses Microsoft 365. The company provisions employee user accounts in Active Directory and synchronizes the accounts to Microsoft Entra ID. The company provisions contractor user accounts in Microsoft Entra ID.

The company has the following business requirements:

- * Employees in the sales department and contractors must be enabled for self-service password reset (SSPR).
- * Employees in management must be enabled for conditional access policies.

The company requires a solution that has the least cost.

You need to implement the appropriate Microsoft Entra ID edition for the users.

What should you use? To answer, drag the appropriate Microsoft Entra ID editions to the correct users. Each Microsoft Entra ID edition may be used once, more than once, or not at all. You may need to drag the split bar between panes or scroll to view content.

NOTE: Each correct selection is worth one point.

Microsoft Entra ID editions	Answer Area	Users	Microsoft Entra ID edition
Microsoft Entra ID Free		Sales employees	
Office 365 Apps Answer:		Management employees	
Microsoft Entra ID Premium P1		Contractors	
Microsoft Entra ID Premium P2
