Question 1

Question Type: MultipleChoice

A card production vendor employs a contracted guard service from an outside source. What is one of the responsibilities of the contracted service?

Options:

- A- Provide only certified guards
- B- Register their service with the VPA
- C- Maintain their own liability insurance in case of losses to card material
- D- Undergo their own Card Production assessment and provide evidence of a passing result

Answer:

C

Question 2

Question Type: MultipleChoice

John works for ACME Inc Personalizers. an organization that personalizes payment cards as well as printing the corresponding PIN mailers for distribution directly to the cardholder. Which of the following statements is true?

Options:

- A- If John is involved in card personalization then he must not be involved in the printing of the corresponding PINs
- B- If John is involved in card personalization, then he must never be involved in the card shipment process
- C- If John is involved in card personalization, then he must never be involved in PIN printing
- D- If John is involved in PIN printing, then he must never be involved in the card shipment process

Answer:

C

Question 3

Question Type: MultipleChoice

Under which circumstances may boxes containing card stock remain unsealed within the vault?

Options:

- A- Where stock from those boxes will be pulled multiple times per day
- B- Where the stock from those boxes will be pulled once at the beginning of production
- C- Always, as long as an accurate inventory is being maintained
- D- This is never permitted

Answer:

C

Question 4

Question Type: MultipleChoice

During an assessment you do a walk-through of bringing card products into the HSA using the goods-tools trap. You act as production staff, using an empty cardboard box as the card products. During the process, the guard escorts you, along with the box, into the pre-press room. What is your conclusion?

Options:

- A- Compliant, because the guard escorted you
- B- Compliant, because the guard ensured that the card product remained under dual control
- C- Not compliant, because an inventory of the card product did not take place prior to entry
- D- Not compliant, because the guard escorted you

Answer:

B

Question 5

Question Type: MultipleChoice

A vendor is unsure which forms are needed to complete an assessment. Who should they ask?

Answer:

D

Question 6

Question Type: MultipleChoice

Where can misprinted, partially finished cards be shredded?

Options:

A- In any HSA room approved by the security manager

B- Either in the HSA printing room or destruction room

C- Only in the HSA destruction room

D- Either in the HSA destruction room or a loading bay that meets all requirements of a destruction room

Answer:

D

Question 7

Question Type: MultipleChoice

A CPSA Company has submitted multiple reports that are incomplete and do not contain the information described in the reporting instructions. Which of the following are possible outcomes?

Options:

- A- They may be put into remediation or revoked by the applicable payment brands
- B- They may be put into remediation or revoked by PCI SSC
- C- They may be fined by the applicable payment brands
- D- They may be fined by PCI SSC

Answer:

A

Question 8

Question Type: MultipleChoice

The vendor's technical documentation shows that the alarm system does not send alerts to the security control room. After a discussion you learn that the alarm works perfectly, and sends a clear signal to summon the local police every time an emergency exit is opened. Why might this cause a problem for their assessment?

Options:

- A-** If the local police have not been issued with an exterior key. they will not be able to investigate the cause of the alarm and reset it
- B-** During working hours, the alarm should be managed in the security control room, or by a central monitoring service
- C-** If the local police receive too many false-positive alerts, they may not respond within 15 minutes of the alarm
- D-** During busy times, the local police may not be able to respond

Answer:

C
