## Question 1

---

**Question Type:** MultipleChoice

---

Users at DreamHouse Realty are only allowed to see opportunities they own. Leadership wants an enterprise-wide dashboard of all open opportunities in the pipeline so that users can see how the company is performing at any point in time.

How should an administrator create the dashboard without changing any sharing settings?

### Options:

---

- A) Build individual dashboards for profiles that need to see the enterprise results.
- B) Create a dashboard with the running user set as someone who can see all opportunities.
- C) Update the dashboard folder settings to manager for the sales reps role.
- D) Add a filter to the dashboard to filter the opportunities by owner role.

### Answer:

---

A

## Question 2

---

**Question Type: MultipleChoice**

---

DreamHouse Realty has an approval process. A manager attempts to approve the record but receives an error.
